

RENTAL GENERATOR RANGE
POWER GENERATORS AND LIGHTING TOWERS

GENERATORS AND LIGHTING TOWERS.

Generating confidence.

When it comes to rental generators, we understand that you need to have confidence in your power solution. You need to be confident that your power source is as reliable, efficient and high performance as it can be. And you need to have confidence that you're well supported to deliver power anywhere it's needed.

The new JCB rental generator range offers you all this and more. Each generator boasts all the quality you'd expect from JCB, including innovative, efficient design, cutting edge engine technology and market-leading telemetry. These British-built generators are also backed by unrivalled service and support all over the world, as well as comprehensive warranty cover.

So you can be sure of generating power – and confidence – wherever you operate.

**JCB rental generators
tick every box...**

- ✓ ROBUST AND DURABLE
- ✓ EFFICIENT AND HIGH PERFORMANCE
- ✓ EASY TO USE
- ✓ QUICK AND EASY TO MAINTAIN
- ✓ REMOTE MACHINE MANAGEMENT
- ✓ UNRIVALLED AFTERCARE SUPPORT

RENTAL GENERATORS AND LIGHTING TOWERS.

1. High performance

A range of dependable engines coupled with efficient alternators work in perfect harmony providing excellent load acceptance for ultimate productivity in any application.

2. Robust & durable

A tough exterior helps keep internal componentry intact during operation and movement and an oversized bundled based protects the whole generator.

3. Serviceability

Large lockable doors on each side of an RS generator provide easy access to key service points, whilst also improving onsite safety and security.

5. Fuelling productivity

We've fitted these generators with large 24-hour fuel tanks as standard to reduce filling intervals. And you can opt for a 48-hour tank or a three-way fuel valve means you can use your generator with external or high capacity fuel tanks. for even longer working stints.

LiveLink for Power, Knowledge is Power

JCB LiveLink provides real-time information to keep you in complete control. Get quick, easy access to performance reports, fault diagnostics and more:

- Fuel Level - Refuelling required.
- Battery Charge - Is there enough to start the generator?
- Emergency Stop - Is this the reason the machine won't start?
- Next Service - When is it due?
- Freeze Frame Fault Finding - What happened when the problem occurred?

4. Easy-to-use

To get the power up and running quickly and easily on any site we fit oversized fork pockets as standard, four point lift, single point lift and a heavy-duty drag bar option to give you multiple ways to move your generator on site. And for quick deployment the distribution panels, sockets and busbar are all housed in the same place to reduce time.

A range of high performance mobile light solutions provide efficient light anywhere.

A range of lifting options for ultimate manoeuvrability and product positioning on site.

The JCB Intelli-Hybrid range provides alternative and efficient power sources.

Highly versatile, powered by a wide range of engine manufacturers to suit every application.

LIVELINK KNOWLEDGE IS POWER.

JCB LIVELINK PUTS THE POWER IN YOUR HANDS. REVOLUTIONISE THE WAY YOU MONITOR AND MANAGE YOUR POWER GENERATORS TO MAXIMISE PRODUCTIVITY, DECREASE RUNNING COSTS AND INCREASE EFFICIENCY.

Data and insight

Keep the productivity high to keep the power on with JCB LiveLink. Real-time information keeps you in complete control to let you monitor and manage your power generators remotely via a PC or Smartphone.

Monitor and manage

The most up-to-date information about how your generators are performing or where they are located becomes even more critical when it comes to making the right decisions. The more knowledge you have to generate uptime, the better value for money your generator delivers.

Optimised Fleet Management

Whether you have one generator or an entire fleet, LiveLink can provide a powerful reporting tool to deliver higher machine availability, improved fleet control and enhanced machine value, accessed via an online portal.

VALUE ADDED.

JCB'S WORLDWIDE CUSTOMER SUPPORT IS FIRST CLASS. WHATEVER YOU NEED AND WHEREVER YOU ARE, WE'LL BE AVAILABLE QUICKLY AND EFFICIENTLY TO HELP MAKE SURE YOUR MACHINERY IS PERFORMING TO ITS FULL POTENTIAL.

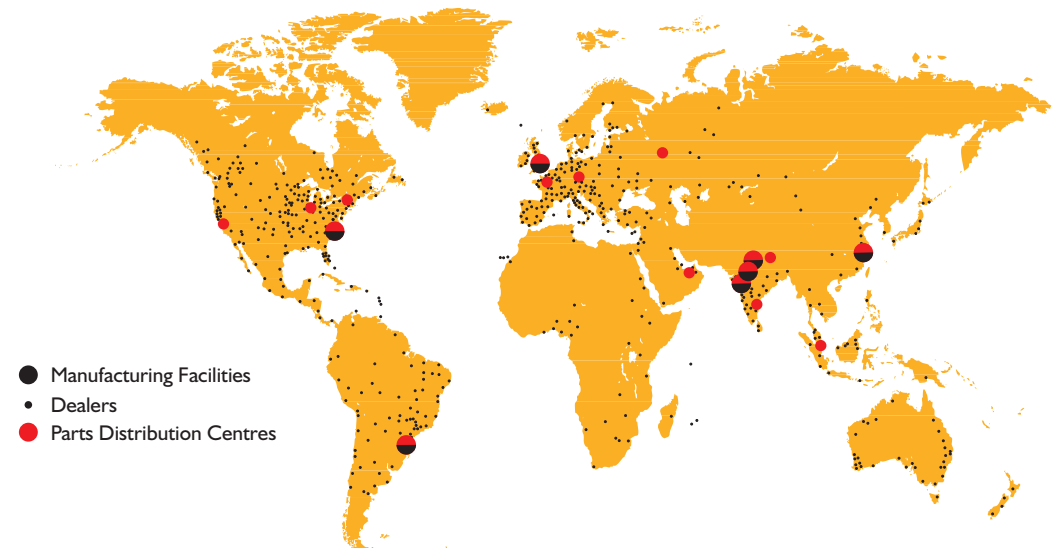

1 Our Technical Support Service provides instant access to factory expertise, day or night, while our Finance and Insurance teams are always on hand to provide fast, flexible, competitive quotes.

2 The global network of JCB Parts Centres is another model of efficiency; with 16 regional bases, we can deliver around 95% of all parts anywhere in the world within 24 hours. Our genuine JCB parts are designed to work in perfect harmony with your machine for optimum performance and productivity.

3 JCB Assetcare offers comprehensive extended warranties and service agreements, as well as service-only or repair and maintenance contracts. Irrespective of what you opt for, our maintenance teams around the world charge competitive labour rates, and offer non-obligation quotations as well as fast, efficient insurance repair work.

ONE COMPANY, OVER 300 MACHINES.
